AJT YARNS

DISCAT

DISCAT™ AJT yarn is Disperse / Cationic Blend Textured (AJT & DTY) yarns. This feature makes it the ideal choice for Naturel looks Fabrics.

Compared with Regular Disperse dyes, Cationic Dyes have ;

- **High Dyeing Power** = Lower dyeing cost
- **Shades obtained rapidly** = Shorter dyeing times
- **Complete Dye Setting** = No subsequent reductive cleaning
- **PES and PAS Cat mixtures** = (Creation of dual-ton effects)
- **Higher Dyeing Temperature** (Shorter dyeing temperature)

DISCAT™ CAN BE USED IN ALL TEXTILE SECTORS

- Weaving
- Circular Knitting
- Warp Knitting

Available in;

- DTY 167/72, 330/96 and 660/192
